Dear Ms. Olivier:

This year we were fortunate to have our four and five year old students included as part of your program.

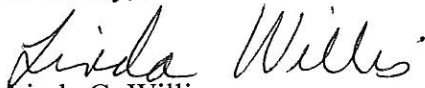

This was a wonderful opportunity for our children to gain much needed early literacy skills. They finished this experience definitely on the road to gaining the skills necessary for reading and prepared for their upcoming kindergarten year.

Their experience with Gina Dwyer-Urban each week was one they looked forward to. The curriculum Gina used has been carried over into the daily classroom work to expand each child's opportunity for growth.

Our program offers opportunities for families who might not otherwise be able to afford a traditional preschool experience or were unable to enroll in Headstart. Partnering with RiteCare made their experience even more beneficial.

We look forward to another positive year with you.

Sincerely,

Linda C. Willis
Director
